

CASSIA COTTAGE™

OUR LOCATION

Flying is the most convenient way of getting to Phu Quoc Island:

- 50 minutes from Ho Chi Minh City
- 1 hour 50 minutes from Hanoi
- 3 hours from Guangzhou, China
- Good connections from Shanghai, Beijing and Hong Kong

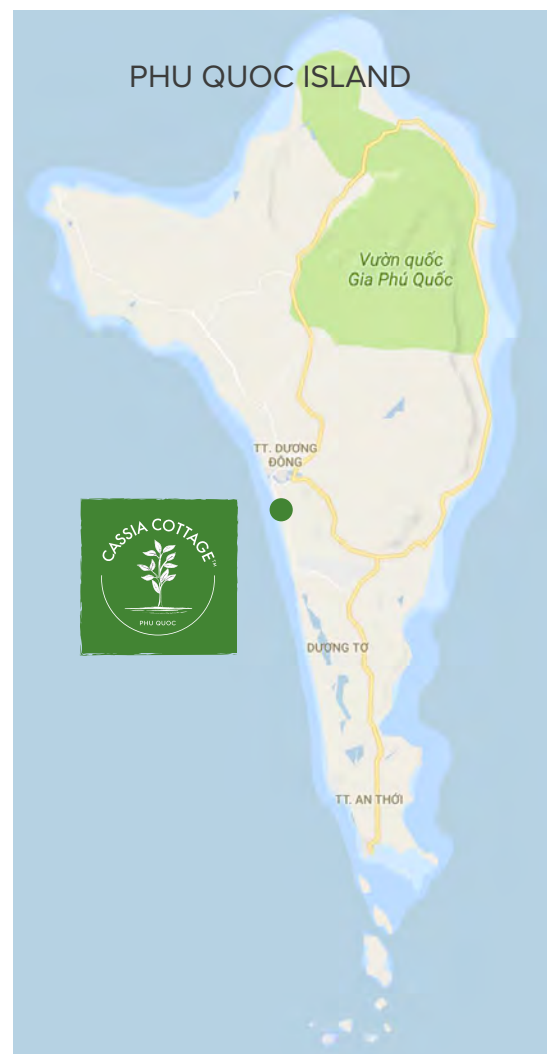

From Phu Quoc airport, Cassia Cottage is only a 10 minute drive.

Cassia Cottage is a beachfront property occupying a 160-meter stretch of warm yellow sand along Ba Keo Beach.

Ba Keo Beach enjoys a unique location in the Gulf of Thailand, therefore surrounded by relatively calm seas and is protected from typhoons. It has gorgeous sunsets and is famed as one of the very few beaches in Vietnam where you can see the sun setting into the sea.

Cassia Cottage has a quiet location but it is conveniently close to local activities:

- A 20-minute walk to the night market & Dinh Cau Temple
- Close to restaurants and beach night life

THE RESORT OVERVIEW

Cassia Cottage is an intimate boutique beach resort in Phu Quoc. Its uniqueness is rooted from its history as a private family retreat built in 1999, from how it evolved out of love and care by the owner, and from how its story and old Phu Quoc shaped its charm and character.

In 2016 the property grew from 20 rooms to 60 to include the neighbouring coconut plantation. The new expansion is the result of a labour of love that ensured the same carefree character and ambiance that is the hallmark of Cassia Cottage.

The low-rise structures and abundant greenery gives Cassia Cottage a lovely fresh openness that encourages calm and relaxation. Together with the warm genuine local hospitality, guests can feel totally at home.

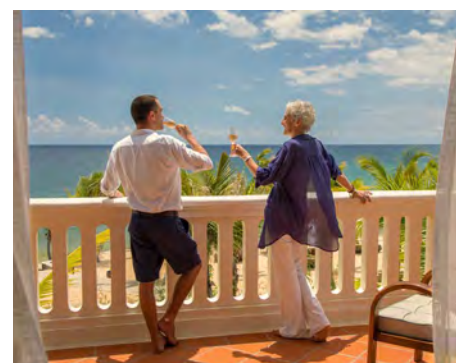

COMFORTABLE STAYS

Cassia Cottage is a place to switch off and unwind. All our rooms and cottages are tastefully furnished and blend with the natural surroundings. Expect all the amenities of a premium hotel, aside from a television, leaving guests to make the most of the resort and the island.

Our accommodation options have different personalities. Offering old world charm is the family retreat turned holiday villa and cozy cottages nestled in our garden. For modern comfort, try our spacious and well-appointed premium rooms or beach houses that catch the ocean breeze.

All rooms are non-smoking. However, they have balconies or terraces where ash-trays are provided.

Seaview Rooms

The Seaview Rooms preserve the charm of the original family retreat built in 1999. The large single-storey 3-bedroom home underwent careful refurbishment and was transformed into four quaint Seaview Rooms. Retaining the building's main structure, with three rooms occupying their original space, the kitchen was lovingly rebuilt to become the fourth room. The Seaview Rooms share a large terrace with sun loungers by the swimming pool. Surrounded by luxurious gardens, these rooms also enjoy peaceful views of the ocean.

The Garden Cottages offer quiet intimate spaces surrounded by nature, with private green frontage.

Modern Rooms

Opened in 2016, these rooms are located within the new grounds of Cassia Cottage. Thought and care went into ensuring that the Modern Rooms, although contemporary in styling, integrate with the overall style and character of Cassia Cottage. The Modern Rooms occupy 2-storey buildings with balconies and terraces that provide carefree outdoor lounging. Rooms are spacious and comfortable, and their simple elegant interiors are complemented by natural wood furnishings.

Modern Deluxe

- Upper floor units have breezy balconies with sweeping views of the ocean & gardens

Modern Premium

- 18 units, 60m²

Beach Houses

Surrounded by lush gardens, the Beach Houses are the most spacious accommodation option. They feature 2 bedrooms with ensuite bathrooms, and a separate living room that catches the ocean breeze. Walk straight out to two swimming pools overlooking the beach. From the spacious verandah with sun loungers and umbrellas, watch the sun setting into sea every evening.

2 units, 175m²

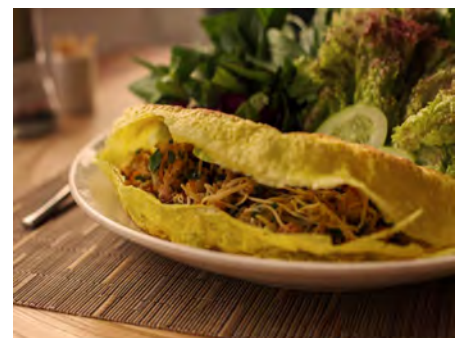

THE SPICE HOUSE

The Spice House restaurant evolved from the owner's family kitchen. Using exclusive recipes from a spice expert's cookbook, the dishes take advantage of fresh local ingredients and deep knowledge of Vietnamese spices. The result is a menu that blends Vietnamese dynamism with Mediterranean sensibilities; complemented by an impressive wine selection.

Completely free from MSG, preservatives or coloring, the ingredients are sourced from local sustainable produce and the finest imported products.

Located by the beachfront, the open-air concept of The Spice House allows for dining to the peaceful sound of waves breaking on the shore, with the backdrop of a setting sun.

THE MALABAR

Overlooking the sea, there is no better place to catch the gorgeous Phu Quoc sunsets than at The Malabar – simply perfect for sundowners, with tunes kept low for a totally chill-out ambiance.

The Malabar can mix up any cocktail, as well as three house specials served on rotation each day. Or order from the wide selection of alcohol and spirits, including premium brands.

Here you will find the only functional pool table on the beach, and there are also board games and cards to share.

To satisfy hunger pangs food is available, like the real meat Cassia-seasoned sausages, or enjoy a BBQ on the beach.

CASSIA WELLNESS

Like the rest of the Cassia Cottage resort, the massage and yoga pavilions take advantage of the surroundings, with airy spaces in tranquil corners, amidst fresh greenery and soothing sounds of the sea.

Massage Treatments

Soak up the island atmosphere with treatments offered in seaside pavilions. Soothe your senses to the sounds of the ocean lapping the shore as you enjoy massages from around the world.

Allow our local therapists to indulge you in a Vietnamese or Thai massage, or select one from our wellness menu. Perhaps try reflexology and facials or just a mani-pedi.

Seasonal Yoga Wellness

Get your mind and body fully harmonised – seasonal yoga is available by one of our international standard instructors.

Enjoy rejuvenating sessions at the yoga pavilion set in a quiet corner of our garden. Guests receive one hour complimentary group session in the mornings for up to 10 guests.

FACILITIES & ACTIVITIES

There is a wonderful carefree environment found at Cassia Cottage – its fresh openness amidst beautiful lush gardens with quaint walkways, and its gorgeous beach.

Relaxing spaces are provided by 3 refreshing swimming pools overlooking the beach – the infinity pool by The Spice House, an adult pool and a kid's pool.

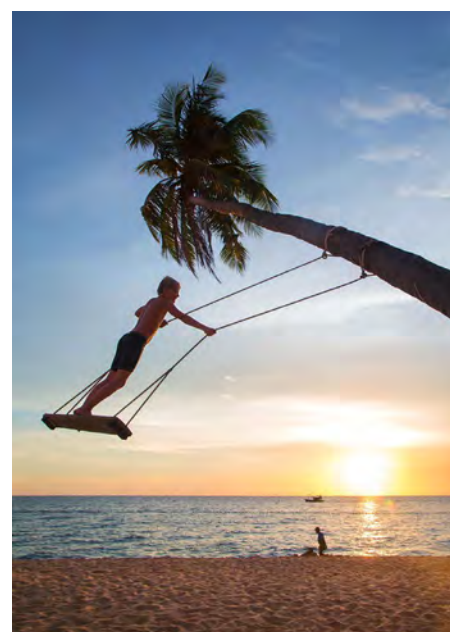

Apart from the 160 meter main beachfront, Cassia Cottage has created a 77 x 30 meter stretch of private beach – perfect for a blissful lie in the sun!

Go to the library to get some time out of the sun. Open and airy, the abundant greenery and fresh sea breeze can still be enjoyed amongst the books available.

For interesting in-door time, attend our cooking classes. Visit the local markets then discover how to cook up Vietnamese dishes from The Spice House chef.

Explore Phu Quoc. We can organise tours and outings, boat rides or a round of golf. For free and easy trips, rent a bicycle or motorbike.

Romantic weddings or small parties or events can be organised. Send us an email and find out how Cassia Cottage can make your special day truly memorable.

SUSTAINABILITY & ENVIRONMENTAL CONSCIOUSNESS

Right from the beginning, Cassia Cottage recognised the responsibility of being part of the Phu Quoc community. We respect the local culture, support the local economy, and minimise our impact on the environment.

Green Policy

- We use a smaller electric generator in daily light hours
- Solar heating is installed for hot water in some parts of the resort
- Towels and linen are laundered in-house without bleach, and air-dried
- We provide chlorine-free natural drinking water from a deep well on the property.
- Guests are encouraged to re-use towels and linens during their stay
- We do not use any harsh chemicals, colored cleaning products or artificial scents
- Composting rubbish and grinding tree debris for use as fertilisers in our garden
- No chemical fogging for mosquito control. Instead we have electric pest control appliances, mosquito netting, and through nature from frogs and fish that feed on them.

Sustainability

- We source locally whenever possible, supporting local producers, farmers and fishermen.
- We support the development and progress of the Phu Quoc inhabitants by recruiting locally. They may have come to us with limited education, but if they have talent and motivation we provide the training and the opportunity to grow with us.

Just one night there but no other way to describe than wow!. Arrival was quick, smooth, welcoming...person who checked us in escorted us to the room.. amazing room! Ocean view, huge balcony and nice ocean style decor. We went to the pool site, superb people.. nice music, good drinks - do i need anything else?! Well, dinner was... one of the best I have ever had! Taste like home made, served like 6 star restaurant.. couldnt be better - i would recommend new dish - cabbage rolls are more than good...chicken curry and than lava cake mmm, special thanks to Darry who was looking after us.

Due to the lower season breakfast is not displayed as a buffet but dont worry.. their a la carte selection will make every hungry guest super happy! Bread was amazing - like at home!!!

The BEST Place on The Island

Everything was great about this place. We stayed in the garden cottages room. They are the cutest little places that are surrounded by greenery. VERY clean.

The pool was our favourite part. They would serve cocktails and food, while I read my book and relaxed. Food was delicious. The beach was clean and water was clear. There were loungers to tan and ladies serving coconuts :)

The staff was the best part, They were so accommodating and provided us with everything we required.

Cassia cottage felt like HOME

Where to start!!!

My time of Phu Quoc really was all about Cassia cottage and the famous Bee farm. Loved our 7 days here of pure relaxation. We rested and read and drank and ate. Kids loved the pools and we felt truly rested.

The resort is immaculate and we appreciated how clean everything is given the rubbish elsewhere on the island.

This resort appeared the best around from what I saw and read about. There isn't a lot to do on the island so I'm glad we had such a superb place to relax.

I also loved the cocktails, beach bar, restaurant, amazing staff (that truly make this resort incredible). Shout out to Haiah for benign so delightful and friendly. But also so many others that I can't recall all the names.

My only gripe is not with this resort but the entire island. It's very sad to see such poverty surrounding massive new resort and complexes going up everywhere. And the rubbish is pretty devastating on the world!!

On other good notes we met gorgeous travellers from many countries and made some new UK and Aussie friends that we hope to meet up in the future.

So a huge thank you from us all Kerry Dave Olivia and Toby from New Zealand. We are very grateful for the rest and and friendly service. Xxx
